

Shelton State Community College celebrates its 50th birthday this year. In 1952 the college opened its doors as the J.P. Shelton Trade School, located on Veterans Memorial Parkway where Home Depot and Target now stand. Since that time, Shelton State has grown to be the largest two-year college in the state.

Shelton State invites the community to join in the celebration of the Shelton State Jubilee, which begins in September and continues through April 2003. The largest event in the college's history, the Jubilee offers activities for the entire family.
